

Dear Magda:

I sent to ZPAP, for your attention, the catalogue slides in the first week of December 92. The Foundation still keeps a large B&W print of Mikolaj. I will have that mailed as well.

I no longer work at the foundation. I ended my duties on the 2nd week of December. Please contact Evren İnanç or Ayşıl Mutver for future inquiries. I understand that Hale Tenger is coming to Warsaw, I will send with her the whole press portfolio for Anda from my personal files.

Best,
