

MARIUSZ KRUK CARGO

FROM MAGAZIN GRENOBLE 99 48 22 26 23 61 Oct 2

Dear Magda:

We have received at the airport Kruk's cargo in a terrible condition.

It was sent from Grenoble, not in proper exhibition crates but wrapped in clear plastic bubble. The bubble wrap furthermore did not cover the cargo completely. As a result there are breaks and damages in the works.

We have photographed the cargo and we will leave it untouched
