Hi there,

Good hearing from you!

Are you showing in Ljubljana with Zdenka? You know there is a "red eye" flight between Istanbul and Ljubljana maybe you can swing the two in one.

That would actually be quite good! To squeeze it in! 23rd?

If not, let us shoot for Mid-April. Also, what is the best way to get Nordic money for you in terms of sources, and finally how would you look at a CMvH + Panasonic / Tommi event?

IASPIS in Sweden only works with visual arts so I don't really know!?

A Panasonic/Tommi event would be excellent since I know these guys very well!
