Hi Kari, just to repeat...

For the customs in Turkey, please have the following two pages approved by the Turkish Consulate in Helsinki and the Chamber of Commerce, Helsinki. I am faxing Helsinki, the Turkish consulate as well. I will call them to expedite the matter. They would appreciate a poster and an invite!

Please send us these documents a.s.a.p by DHL to the Museum. I know it is a bid drag but we should have it by tuesday morning to avoid disasters of the third world kind!!!

I also need your shipper's liason office in Istanbul, which company may it be? I will also let you know of what to exactly fill in the CMR.

All this is in the email because I know for sure you will have difficulty in rewriting the whole damned thing.

Really sorry,

Vasif
