Dear Chris Dercon:

We met very briefly at a cafe on the heels of an exhibition in at the Stedelijk in Amsterdam with Hans Ulrich. You and Hans Ulrich spoke about the time-based notions of the museum and the 74-77 bracket, and I basically listened.

Well, I got your email number from HU0. The reason I am writing you today is to inquire if you would make yourself available for a talk in Istanbul anytime between now and September.

Please drop me a quick email if you think you can make it.

Hoping to hear from you soon,

Warm regards,

Vasif Kortun
