Hello Sanna,

Please find attached Rebecca's message regarding the lectures.

Is it possible that I send you the invoice of the flight ticket and the stubs when I receive them? I have to go ahead and buy the ticket for him for USD 210. If you would expedite the payment that would help me immensely. The funds can be sent to my Euro account number (also attached).

Regarding the artist fee payment, please contact Sener Ozmen <senerartist@hotmail.com> (Work) (You may want to cc. me the messages that you send to Sener because he does not speak English.)

And

Serkan Ozkaya.

If you would send them the forms as email attachment rather than snail mail, it will be highly appreciated. Mail does not quite function in Turkey.

Best regards,

Vasif
