Dear Otto Hemming Larsen,

I am writing to you regarding the digital materials of the exhibition.

Brigit Flügge at The Danish Design Center have confirmed allowing Proje4L utilize them for "Milestones & Evergreens". Hence, would you be so kind to send us the digital materials at the addrees below at earliest convenience.

Thank you very much for your assistance, and we are looking forward to receiving them asap.

Yours sincerely,

Dilek Basgurboga
