Dear Shirley,

16.10.1995
Istanbul

I am back in Istanbul and I send you the information about posting the work with a little delay. Sorry.

From my surveys I found out that the easiest way of sending the work is through a quick post service such as TNT or DHL which works worldwide and to send it as a costume or theatre costume to your ^{personal} address where we will not meet any trouble through Customs. The price of such an operation is around 700 \$ (A.D.) return. If we cannot solve the problem by other means I think we should try that solution.

Your friend Therese Dion from Montreal and the "Centrale" gallery may know some contact people in the Turkish Embassy who would be helpful. Maybe you can get in touch with them.

I send you my very best for your future works. Waiting for your decisions.
