

Dear Shirley,

Here I am ~~explaining~~ ^{a text and} you the details
and ~~the~~ ^{the} ~~one~~ ^{my} details of ~~the~~ ~~idea~~ project
I am preparing for the Winnipeg Show.
I have already started it and I hope
there will not be a space problem for it.

It is only ^{one} a piece of 400 cm x 350 cm.
and it will be hung from the ceiling.
In a reclining position like a ship
floating on air! and there will be
a light ^{source} ~~ray~~ ~~light~~ towards the inside story.
When hung, ~~it~~ as it will make
a curve it will take less space than
~~400 cm~~ ^M length.
