Dear Iris,

Istanbul

I hope you are back from your three weeks holiday and had a nice time. I should confess that I also had a weeks holiday after I came back from Valencia, for I needed it desperately. Though it was nice to be in Spain, things worked very slowly, in a rhythm that none of us was used to and this tired me a lot. Now I am back in Istanbul and ready for a fresh start.

Today I sent you the document you wished, by DHL and hope that it will reach you on Monday. If you need any more information please let me know.

Looking forward to see you in Istanbul in September I send you my warm regards.
