Dear Iris,
Dear Harald,

Now I am back in Istanbul, from Zurich, Munich travel, a little bit tired but happy with the results. Zurich Show and conference, meeting colleagues from Eastern European countries was a great experience and exciting. In Munich I had to see my new space, meet people and make decisions for the new project which seemed more difficult.

I found your fax and the envelope on my return and will try to provide you with the necessary documents as soon as possible. It will cover the detailed project definition, more images and a draft budget. You will receive them before the end of January 1999. As I have the plan of the space and some photos, it will not be a great problem.

I am curious about the text which will take place in the catalogue which I think will be interesting.

Looking forward to meeting you again I wish you the best and hope that all would work well for you.
