Dear Vasif,

Yesterday, in speaking with Brent Sikkema, Michael Jenkins, and Denis Gardarin (all of Brent's) I asked them if they've heard more from you concerning the September show. I said it wasn't far off, now that Summer's here. I'm sure you'll hear from Brent but I wanted to make certain of a couple of things: What Pieces do you want? Michael Jenkins thought this was a decided issue but I am not clear as to what exactly you had in mind. Also, I've always planned on going to Istanbul to set-up the show, etc. Brent also, has thoughts of being there? Can these issues be decided soon? Can you let me know or let the gallery know?

Thank You Vasif,

Burt Barr
