Hello Anders, do you have a mobile? OK, this will be easy.

When you arrive, please check if you need a visa, this is basically a stamp that you will get at the airport before the passport section.

When you get out of the customs take the airport bus (HAVAS) BUS Ñ there is only one, every 20 minutesÑ.

Ask the driver to get off at PERA PALAS! and stay put! Give us a call at 90.212.293.2361 or if that is busy at 90.212.293.2438, and we will pick you up in 4 minutes. Hotel Londra is 3 minutes walking distance from the Pera Palas but you don't have try it out yourself.

I can not make it to the airport because I have an event at the museum.

Once you rest a bit, I would really appreciate it if you can come to the museum afterwards, one of my friends will escort you there. We are closed on sundays and I'm really happy with the show!
