Dear Vasif,

When we were in contact last, we spoke about the possibility of my visiting Istanbul in early November. That seemed like a good idea back in September, and in fact it is still a good idea. However, my current financial situation doesn't allow too many "side-steps". Perhaps you understand this freelance situation. I guess Istanbul will always be Istanbul, even when no biennial is up. Can we retain the idea of a visit, and implement it later, under more convenient circumstances?

Best,

Anders Kreuger
