Super, I am glad all is settled. I will not be in town for December 1, 2 and 3, but both November and Öykü will be at Platform to help you with everything you may need.

Öykü will send you the bank informatino today. It is crucial to let us know when the payment will be wired so that we can follow it up here.

When you have a moment to think about if it would be good to have a public session, I would be very happy. If you do not prefer to do such a thing, let me know as well.

Regarding your stay, did you already make the hotel reservations? Please do not hesitate to contact me for such matters of organization. We will gladly to do it.

Warmest,

Vasif
