

## **Hit & Run**

### **Smart Project Space at Platform**

23 June – 28 July

### **Black Ball : Yvonne Dröge Wendel**

**Wednesday 7 – Sunday 11 July**, afternoons and evenings in the city.

For 6 days Yvonne Dröge Wendel's Black Ball performance will take place on the streets of Istanbul. As the ball is moved around the city it initiates situations and stories. The action is open to the participation of the people who come into contact with the object. The route of the ball will change throughout the week, for daily updates about its location call Platform (90-212-293 23 61)

### **Inverted oh-ton sound performance : Dave Allen**

**Saturday 10 July, 19:00** at Platform

Followed by lectures by Dave Allen and Yvonne Dröge Wendel

*Inverted oh-ton* is a sound performance, which comprises the three recordings *Piano Piece #4* by Frederic Rzewski, *da* by Eckart Beincke and *Siebenschşaf* by Kirsten Reese. Two versions of each work are played simultaneously one from the regular waveform and one inverted, the concept being to achieve pure silence.

### **David Osbaldeston**

**Saturday 10 July, 13.00** at Oda Projesi, Galipdede Caddesi, Sakhulu Sokak, 39/1 Galata

Presentation by Manchester based artist David Osbaldeston of his work and fanzine project *Stellar*. Each issue of *Stellar* pays homage to an individual artist by obsessively gathering, copying and redrawing facts, images and gossip about that artist. Osbaldeston's practice raises issues of truth and fiction within contemporary culture and celebrity.
