

Activities - Galata Through the Ages On the Tünel-Karaköy Route

The **Ottoman Bank Museum** will be one of the two information centers set up to guide visitors and provide them with details concerning the itinerary and concept of the second Istanbul Pedestrian Exhibition on the Tünel-Karaköy route.

Curated by **Fulya Erdemci** and **Emre Baykal**, "**Istanbul Pedestrian Exhibitions 2: Tünel - Karaköy**" features 19 international artists and architects and their large-scale projects. Istanbul Pedestrian Exhibitions, the first of which was held in 2002, in Nisantasi, aim to bring cultural events to a wider public and, by enhancing Istanbul's unique and innovative image, increase its international visibility and recognition.
