## **Istanbul Residency Program**

Platform Garanti Contemporary Art Center is pleased to announce its new initiative **Istanbul Residency Program**, (*istanbul misafirleri program*)

Istanbul Residency Program (IRP) is open to contemporary visual artists, critics and curators of contemporary art. IRP is housed in the same building with Platform Garanti's exhibition, archive and research and lecture spaces in Beyoglu, the most vibrant part of the city. There are three studios for artists between 40 and 60 meters square as well as two additional rooms for writers. The residencies come complete with basic amenities such as desks, storage units, a fully established common kitchen, computers and Internet access for the participants.

Garanti Platform Contemporary Art Center is presently negotiating cooperations with international institutions and countries. If you need more information please contact:
