Hallo you two,

first of all I want to thank you for the work you have done to make our exhibition finally possible.

I hope after this crazy biennale time you are coming back to normal working time and methods.

You can't imagine I have again tonight an exhibition opening with the slide-projection, the carpets and the small book here again this images it seems that they are following me.

What kind of a reaction from the press onto "becoming a place" you got until now?

There are some things I just wanted to summarize again:

1. The 2500 DM of the Berlin Senat I needed until now:

1.1. Flight Berlin - Istanbul - Berlin: 559 DM

1.2. Extra costs for my heavy luggage (I went back with 300 picnic-city's): 100 DM

1.3. Hotel costs for 13 nights from the 9.9. - 23.9.01 (13 x 90 DM): 1170 DM

That means there are only 671 DM for the transport of the 10 wooden plates from Istanbul to Berlin after the exhibition.

I hope you are still able to manage that Vasif?

Please don't forget to send me a receipt ("fiche") for 1.3. about 1170 DM I really need it for the Berlin Senat.

Please don't forget

2.the photos of the exhibition and solo images of my 10 wooden plates with the drawings on a CD.

3.to send me 10 copies of the Katalog of the exhibition "becoming a place", I will then bring two of them to the Berlin Senat

4.If you send Didem some of the exhibition catalogues please send her as well 10 of the small piknik kent*-books, I promised her these for her work at the university.

And if you are really able to synchronise the slide projection finally I would be very happy.
