Dear Vasif

I think it's a great idea to articulate the museum's position with area maps and/or photos. Unfortunately, the editor has asked for photos of all the contributors, and we have them for everyone, so if you could it'd be great. It can even be a scan of your passport photo or your favorite shot! It'll wind up being tiny in the journal, so don't give it too much thought.

The answers are proving very interesting. I'll be looking forward to receiving yours.

Many thanks for passing on word to Ozge. Please let me know if I should send him any info.

With best wishes  
Kathy

PS How can I be kept on a mailing list of the centre's events and exhibitions? Do you need a postal address?
