Helena Kontova

Flash Art

Dear Helena:

I hope you are well. I had sent Flash Art two emails over a month ago requesting the purchase of 100 copies of the Summer issue of Flash Art with Tunç Ali Çam's advertisement inside back cover. If you do have that many, as many as you can send is fine.

Please let us know how much it will cost and send the bank details so he could send you the funds in advance.

Warmest regards,

Vasif
