Dear Hans Ulrich Obrist

I have reached your name and e-mail address while surfing in the web for new contacts and material relevant for our website.

We are an organization based in Turkey, you can reach detailed information about our activities from our websites:

[www.intarchweek.com](http://www.intarchweek.com) [www.worldarchitecture.org](http://www.worldarchitecture.org)  
[www.tepe21.com](http://www.tepe21.com) (Turkish)

The article for the Cities on the Move Catalogue, you wrote together together with Hou Hanru and already available at the website of ART NODE, is very relevant to the aims we put forward in the Worldarchitecture project. If you approve of the idea, we would like to post your article or part of it among other articles you can find in our website. (With full acknowledgments, of course)

I could not find the e-mail address of Hou Hanru. If you are still in contact with him, please pass our request to him, as well.

Happy to meet you and wishing to hear from you soon,

Cuneyt Budak
