hi, me too, i am very happy to be able to come. the conditions are OK for.
What I do need is a couple of days to decide the dates because my agenda is a
total chaos!!!

then, please find here a long CV. you can edit it into a short one for the
French. I prefer to speak in English too. is it OK?

also, a couple of photos, myself, and a work by Huang Yong Ping in the
Shanghai Biennale.

a title: exhibition as action.

I will need a slide projector and a multimedia projector to connect my
computer (like what we did in Walker). OK?

by the way, I rushed to see your show at De Appel, for only fifteen minutes
between two courses at the Rijksakademie... it was wonderful. I really liked
it...

Best
