Dear Vasif:

Maybe we should do it before the 5th, if that is at all possible for you or than just after 18th. I am in Europe until the 5th of May. Would be nice though to come at least for a weekend so I have the chance to see some things. I hope Luisa will come along.

I at NIFCA and it is so unbelievable cold here, I started to get think 5 minuets after I arrived here.

My very best,

Jens

I am opening one show in April 5 (nifca coproduction), and another on April 12, April 15-18 perhaps will there be a Zagreb trip. The rest of the month, I am pinned down to Istanbul. Do you have good dates for me? What do you say? Vasif
