Dear Jens, this is good news, I will send you the goings around list in a few days, I also open our little museum! No, seriously.

Time to have aa good time.

For the hotels, your best bet is the biennial hospitality (ist.biennial@istfest-tr.org), so everything is OK regarding what you need, passes and etc. do not worry about the hotel, soon they will return to you with the information. They have a list of discount fares for the hotels. But, write HOSPITALITY in the SUBJECT HEADING of your message. One never knows where these emails go.

I am also emailing them now.

Warmest,

Vasif
