Hi Yasif--

Happy New Year and nice to hear from you.

Pinar told me you might get in touch, regarding 'Not For Sale: Feminism and Art in the USA during the 1970s, " 1998 (90 minutes). If you would like to show the video in Istanbul, or elsewhere, I would be interested to know more about your plans.

[Unfortunately, our email connection is not right and I didn't receive ANY SPECIFIC MESSAGE from you: just the subject window and your address.]

You might also try sending a fax to me at: 212-533-6760.

Hope to hear more soon.

Best Wishes,

Laura Cottingham
